REMARKS

Applicant has cancelled claims 1, 9, 18, and 19, without prejudice; and has amended claims 2-4, 6-8, 10, and 14-17. Specifically, Applicant has rewritten objected-to claims 6 and 14 in independent form, incorporating therein the substance of the subject matter of claims 1 and 9, respectively. Applicant has made claims 2-4, 7, and 8 depend from claim 6 (now rewritten in independent form); and claims 10-13 and 15-17 depend from claim 14 (now rewritten in independent form). Assuming that the amendments are entered, claims 2-8 and 10-17 remain pending in the application.

Applicant has simply amended the SUMMARY and ABSTRACT in order to be consistent with the claimed subject matter and to correct minor informalities.

No new matter is added, nor are any new issues raised therein as part of this response.

Applicants have rewritten claim 14 in independent form, according to

the consideration of Examiner. Furthermore, claims 10-13 and 15-17, by the above amendment, now depend directly or indirectly from claim 14 and, thus, should also be allowable.

Conclusion

In view of the foregoing, the present application as claimed in the pending claims is considered to be in a condition for allowance, and an action to this effect is earnestly requested.
